

The Kimberly Akin Foundation Nursing Scholarship

Application Requirements:

Applicants must be a nursing student, entering his or her final year of a bachelor's nursing program in the state of Indiana, preferably the Evansville area. Applicants will be required to participate in at least one phone interview and one in-person interview. Consideration is also given to financial need.

Deadline: June 15, 2023.

Award Amount and Terms:

A \$3,000 scholarship will be awarded to one nursing student on July 31, 2023, which will be paid directly to the recipient's student account at their respective college or university. Funds can be used towards tuition, books, housing, and fees.

How to Apply:

1. Email kimberlyakinfoundation@gmail.com your first and last name, age, nursing school, expected graduation date, phone number, a personal photo of yourself, and a short biography. Provide dates and times you are available for a phone interview with board members of the foundation. The email subject should read "2023 Kimberly Akin Foundation Scholarship."
2. You will receive a response with a date and time you will be called to complete the interview. The interview will be with members of the foundation board and will last about 15 minutes. Interview topics will be focused on why you want to be a nurse, your schooling, financial need, and your future goals in the nursing field.
3. If you are chosen to be the recipient of the scholarship, you will be contacted by email from kimberlyakinfoundation@gmail.com and/or by phone, with steps to take to receive your award.

About the Kimberly Akin Foundation:

The Kimberly Akin Foundation is a non-profit organization that was established in remembrance of Kimberly, a single mother of three boys and a registered nurse for almost 40 years. Kimberly dedicated her professional and personal life to caring for others, even when it meant sacrificing herself physically, mentally, and emotionally. Her love for her family and nursing career motivated her children to 'pay it back' to others that display similar characteristics and attributes of Kim.
